OUR PROPOSAL FOR EXCURSIONS IN WESTERN RIVIERA

VILLA HANBURY – Meeting with guide. Departure to Mortola (Ventimiglia). This resort, located very close to Latte di Ventimiglia, benefits from its strategic position and a mild climate. These conditions allowed Mr. Hanbury, who felt in love with this area, to create a real “Eden” on the cape, a unique botanical garden, which gathers more than 6000 plants, cultivated in open air. At the end of sightseeing, return and end of services.

SANREMO AND DOLCEACQUA – During the morning, meeting with guide. Sightseeing of Sanremo, with the Casino, the village of Pigna, Portosole and the prestigious Arston Theatre, seat of the most important Italian Music Festival, for more than fifty years. Lunch in a restaurant. During the afternoon, departure on bus to Dolceacqua. Meeting with local guide to sightsee the ancient medieval village, which rises on the top of a rocky spur, strategically dominating surrounding valleys. Its history is told through Doria Castle, churches and the Visionarium. Return and end of services.

DOLCEACQUA – During the morning, departure to Dolceacqua, meeting with local guide to sightsee the ancient medieval village, which rises on the top of a rocky spur, strategically dominating surrounding valleys. Its history is told through Doria Castle, churches and the Visionarium. Return and end of services.

APRICALE – During the morning, meeting with guide and departure to Apricale. The town is clinging and sunny, from its position comes its name. Apricale was celebrated by poets, writers and famous painters. Nowadays, it is considered one of the 60 most beautiful Italian villages. It has obtained two important certification: ISO 9001 and 14001, being able to guarantee a qualitative tourism, keeping untouched tradition and environment safeguard. Extraordinary interest have its old town with its place and characteristic wall paintings, castle with museum, gallery of theatre, and churches. Return and end of services.

ARCHEOLOGIC AREA AND MUSEUM OF BALZI ROSSI – During the morning meeting with tour guide and departure to Ventimiglia. Balzi Rossi's caves open at the bottom of a rocky dolomitic limestone wall, which is also the border line between the municipality of Grimaldi in Ventimiglia e the French boundary. At the end of sightseeing, return and end of services.
