

TIGULLIO AND PARADISO GULFS

1st day: late in the morning, arrival and check-in in 3* hotel in Cavi di Lavagna. Lunch. During the afternoon free visit in the nearby town: Sestri Levante. An ancient town held between romantic and evocative bays: Baia delle Favole and Baia del Silenzio. As all Ligurian towns, it offers a long promenade on the seaside and a "carrugio" in the old town (narrow street), enriched with shops, cafés and restaurants. Dinner and overnight stay in the hotel.

2nd day: breakfast in hotel. Departure with bus to Genoa. Meeting tour guide and short visit to the city and Aquarium: the unique and spectacular construction, the only one in Europe for tank dimensions, which, in the maximum respect of the biological equilibrium, reproduces the Mediterranean and Oceanic habitat. Its 50 tanks host more than 1000 species of fish. Four of them have oceanic dimensions. Lunch in a restaurant. During the afternoon transfer to Camogli, visit to the characteristic fisherman town, with its unique colourful houses, facing the sea; its "carrugi" and its small old harbour. On a vertical rock on the sea, "Castello del Dragone" rises, an ancient bulwark in town's defence. Boarding on ferry to San Fruttuoso, small town located in the creek of Portofino cape; it is reachable only by foot o via sea, and it is considered a real oasis. It hosts the spectacular Abbey of Doria and the unique statue of Christ of the Abyss, situated underwater in a small bay (visible from the surface). Return to hotel, dinner and overnight stay.

3rd day: after breakfast, departure to Rapallo. Meeting with tour guide and boarding on a ferry to Portofino, a picturesque fisherman village, located in a charming bay, bearing the same name, which is also well-known as climate and bathing resort, and one of the most famous resorts among international tourism.
