

TUFF'S TOWNS AND GIGLIO ISLAND

1st day: departure with bus to Pitigliano. This town rises on a tuff spur, which has been creating town's fortune, from both artistic and historical point of view, as it offered a magnificent sight for visitors, but also an excellent defense against enemies. Meeting with tour guide and sightseeing of the city, lunch in a restaurant and in the afternoon visit to Sovana, Etrurian city of remarkable importance, its necropolis are the most admired in Tuscany. To visit is Piazza Pretorio, which offers a magnificent medieval set; further to be visited the City Hall; "Loggia del Capitano" and "Palazzo Pretorio". It is worthy to visit the Church of S. Maria, built on a pre-existing Romanic temple. Pre-Romanic "Ciborio", unique piece in Tuscany, is doubtless the jewel of Sovana; probably, it is dated between the 8th and 9th Century B.C.. Inside, it is possible to admire some frescos from the beginning of the 16th Century A.D.. Finally, arrival in the hotel, check-in, dinner and overnight stay.

2nd day: breakfast in hotel. Departure to Porto Santo Stefano. At 9:45 am, boarding on a ferry to Giannutri, aka island of seagulls, due to seagulls wintering and nesting, in July before leaving, on the island. The island is really small, and it is possible to cover it all in about two hours. Return at 1 pm for lunch and departure to "Isola del Giglio". This island is a real treasure to discover. It is the ideal destination for those, who like a genuine contact with nature and a rustic environment, who like walking and bird-watching, minerals and astonishing underwater realm. To everyone, the freedom to chose his/her own dimension, to find one's own ideal holiday. Lunch on ferry and visit of the island. Return to Porto Santo Stefano, late in the afternoon, end of services.
